LinkedIn: <https://www.linkedin.com/in/vikas-magare-6687541a3>

SUMMARY:

Aspiring AI Engineer candidate with strong machine learning foundation and programming proficiency (Python). Eager to leverage research and problem-solving skills to contribute to innovative Generative AI models.

Experience:

AI Trainer

Apr 2024 - Present

Outlier / India, Remote

- Collaborate on optimizing and training large language models (LLMs), driving improvements in generative AI for enhanced code quality.
- Design, develop, and refine AI-generated text prompts, optimizing prompt performance, and improving the AI prompt generation process for various applications.

Campus Ambassador

Feb 2024 - March 2024

Wayspire / Gurugram, India

- As a Campus Ambassador at Wayspire, I promote and represent the company's online learning platform to students and faculty at my university

EDUCATION:

Bachelor's Degree in Computer Science and Engineering

Mar 2024

BAMU University, Aurangabad, Maharashtra

TECHNICAL SKILLS:

- **Technical:** Artificial Intelligence, Generative AI, Large Language Models, NLP, Machine Learning, Analytical skills, Programming, Python, AWS, Communication skills.
- **Languages:** English, Chinese, Hindi, Japanese, Marathi

PROJECTS:

Native Language AI Trainer - Marathi:

June 2024 - Present

- Design, develop, and refine AI-generated text prompts, optimizing prompt performance, and improving the AI prompt generation process for various applications.
- It's a 6 months upwork project.

Hindi AI Trainer:

May 2024 - June 2024

- Design, develop, and refine AI-generated text prompts, optimizing prompt performance, and improving the AI prompt generation process for various applications.

Training and Placement Cell:

Jan 2023 - May 2023

- Designed for organization to training and placement settings
- Technology used: JAVA, Tomcat server, SQL

AWARDS/ACCOMPLISHMENTS:

Friends Union for Energising Lives (FUEL)

June 2023

- Awarded for the completion of maximum certification on LinkedIn
- Received the Best Performance Award and Certificate of Appreciation

CERTIFICATIONS:

A Career Essential in Generative AI by LinkedIn and Microsoft (Mar 2024) - Microsoft

AWS Cloud Practitioner Essentials (Feb 2023) - Coursera

Google Data Analytics (Jan 2023) - Coursera

Google Project Management (Jan 2023) - Coursera

A Career Essential in Project Management by LinkedIn and Microsoft (Dec 2022) - Microsoft

Post Diploma In Mechatronics (Jun 2022) - IGTR, Aurangabad
